```

Preview

The preview shows a mobile app interface for "Health Sharing". At the top is a header with a purple-to-mint gradient background and a white mask of two people. Below the header is the title "Health Sharing" in a large, bold, black font. The main content area has a white background and contains three sections, each with a blue icon on the left and text on the right. The first section is "You're in control" with a checklist icon. The second is "Dashboard and Notifications" with a bell icon. The third is "Private and Secure" with a lock icon. At the bottom is a blue button with white text that says "Share with someone".
